Title: To the one who stole from us

Author: The Dark

Entered: 7/7/1999
Subject: Unexplained

We know you have it, it
has activated and has
told us your location.
Already you are
starting to feel the
effects. Do not try to
take it off, it is too
late for that. Remain in
this town and when the
times come, we will
begin your acolyteship.
You will emerge
stronger than ever
before and will thank us
for allowing a whelp
like you into our circle
of power.
